Our mission is to provide affordable holistic preventative medical care for the uninsured in the East Valley while demonstrating compassion and sharing, with willing patients, the love of Jesus Christ.

Tax Credits for the Working Poor Provide Hope, Health, & Help

- A \$200 donation (\$400 if married and filing jointly) to Hope Community Health Center (HCHC) can get you a dollar-for-dollar tax credit on your AZ Tax Return.*
- This tax credit is in addition to any credit you might already get from your donations to a public or private school.
- The tax credit is available to the extent your total 2007 charitable contributions exceed those made in 1996 and shown as an itemized deduction on your income tax return (or any year after 1996 in which you itemize deductions).
- In order to receive a credit on your 2007 tax return, your donation to HCHC must be postmarked before midnight on Dec. 31st.
- HCHC will then send you a receipt with our tax exempt information for your records.
- For more information on this tax credit (ARS 43-1088), please contact your tax advisor or the Arizona Department of Revenue at 1 (800) 352-4090.
- For more information on HCHC call us at (480) 231-2020 or visit our website at: www.hopecommunityhealthcenter.org
